Dometic®

ROYALE

Automatic/manual power selection, large interior capacity and tremendous food storage flexibility. Dometic luxury!

Dometic®

New Dimensions
By using advanced insulation technology, the New Dimensions line provides 25% more capacity with the same outside dimensions as comparable models. More features and storage flexibility, too.

Royale
All Royale models have automatic/manual electronic controls that select the best available power—or let you decide. A truly impressive array of standard features and available options.

Americana
Single-door models with 3-way power and double-door 2-way models deliver Dometic's superior quality to even the most cost-conscious customers.

Classic
With a long list of features RVers want most, the Classic is designed to install in most existing refrigerator openings. Available in two popular sizes.
